

Engagements & Bridal

PORTRAITS OF NEW BEGINNINGS

Through a phone call or a personal visit we will together determine the best location for your engagement and bridal pictures to be photographed. Perhaps there is a special location that holds memories or that provides the ideal backdrop. We will meet you on location and work with you to get the perfect shot. Engagement and bridal pictures are included in 2 out of 4 of our wedding packages. We believe that by combining these sessions it will help us establish a relationship so we can create the timeless photograph that you have envisioned. If you choose to book a wedding package that does not include this option, then the engagement and bridal package pricing will apply.
